All citizens of the Territory who believe in the pure principles of Republicanism and in the complete and full enjoyment of citizenship for every citizen of Arizona are cordially invited to join the party in an earnest attempt to gain a Republican success at the fall elections which will insure to the people of Arizona all the rights and privileges as citizens to which they are entitled.

THE FUNDING ACT.

The Yavapai County Board of Supervisors Alive to Its Merits.

Appreciating the fact that after January 1 no more certificates of indebtedness may be issued by any county, the Board of Supervisors of Yavapai county have opened correspondence with the Funding Commission, with a view of bonding the county's indebtedness under the operations of the new act. Governor Wolfley's answer is equally pertinent to the situation in this or any other county of the Territory.

To the Honorable Board of Supervisors Yavapai County, Prescott, Ariz.

GENTLEMEN: In reply to your favor of the 11th inst., I have to say that no existing legal contract is abrogated by the Funding Act. As a legal question the District Attorney of your county should advise you as to whether or not any or all of your bonds are subject to be refunded at the option of your Honorable Board. Some of the other counties have opened correspondence with the holders of their bonds and by a mutual consent agreed to a refunding thereof. It might be well for your

Board to do so.

From the face of your report you would seem to have considerable indebtedness that could be funded. Flagstaff and Verde Road Fund . . e. Interest due July 1, 1891. Floating Indebtedness to December 31,

Estimated expenses to December 31.

It is entirely in your discretion to fund or not, but on and after January 1, 1891, the issuing of warrants or any other evidence of indebtedness (value the same is in excess of the limit prescribed by the Harrison Act), will be illegal. It would, therefore, seem to be business policy to fund all your out-standing indebteduess or retain all taxes of the present year, with the probable exception of interest due January 1, 1891, to meet the expenses of next year. Such was and is the intent of the Funding Act, in order that you may be on a cash

basis from and after January 1, 1891. Respectfully, Louis Wolfley, Governor.

THE TEMPE PRIMARIES. An Unpledged Ticket Elected of Repre

sentative Republicans. Special Correspondence of THE REPUBLICAN

TEMPE, August 15 .- I was rather surthe Gazette this morning claiming that an Anti-Wolfley ticket was elected at the Republican primaries held here vesterday. Of course this was sent the Territory of Arizons, by virtue of the down by a Democrat and a sore one at that. The truth of the matter was this: A few Republicans met at Forsee's the day before, according to a posted notice, and we agreed unanimously upon the following gentlemen to represent us in the County Convention: E. G. Frank-enberg, Jas. Stinson, Charles Mullen, Charles Roberts, J. S. Priest, H. B. Farmer and Thompson Walker.

No one sought to be a delegate and some of those selected were unwilling to There was nothing secret about the whole business, nor was ever one word for or against Governor Wolfley ever said. Nobody ever men-tioned his name in connection with the delegates as they go down free to act,

without any strings on them. Now, I do not know how all the delegates feel, but when you talk about such staunch Republicans as J. T. Priest, Thompson Walker, Charles Mulling and old war horse, Charles Roberts, not staying by their party, it is simply ridiculous, and I believe the others are in the same mold. AGRICOLA.
